

Kite Flying Contest sponsored by

Categories and Schedule

Smallest Kite

11:30 a.m. registration

12:00 p.m. contest

The smallest kite is determined by the size of the lifting area excluding the tail.

Largest Kite

12:00 p.m. registration

12:30 p.m. contest

The largest kite is determined by the size of the lifting area excluding the tail.

Most Colorful

12:30 p.m. registration

1:00 p.m. contest

The most colorful kite will be determined by our judges after observing it in flight. The glowing colors from the sunlight filtering through the kite will maximize the points.

Best Homemade

1:00 p.m. registration

1:30 p.m. contest

The unique design, construction and materials will all be evaluated along with stability of flight.

Highest Angle

1:30 p.m. registration

2:00 p.m. contest

The participants would start with 150 feet of string available and launch their kite. The highest angle directly overhead is the winner.

Awards

2:30 p.m.
